INTRODUCTORY COMMENTS

In this Response, Applicants amend claims 1-7 for form issues, where such amendments present no new matter, do not narrow the claims, and are not related to patentability. Further, Applicants traverse the Examiner's rejections of claims 1-7. Applicants further provide replacement drawings for Figs. 2-4, and amend the specification for form issues while presenting no new matter. Applicants consider the present application to be in condition for allowance.
